All other contractors

Section 3: Fees. For each of the contractor's businesses and occupations set forth in Section 2 of this Article, there shall be a Contractor's License Fee of seventy-five dollars except the following:

Lawn maintenance contractors	$ 25.00
Snow removal contractors	25.00
Waste disposal firms	
Recyclables only	100.00
All other materials	250.00

All (i.e., multiple) contractor fees shall be paid where two or more such businesses or occupations are combined (i.e., if a contractor performs multiple contractor functions, multiple fees shall be paid).

Section 4: License Duration and Bond.

A. Duration. Any license issued hereunder shall be valid for a period of twelve months from the date of issuance.

B. Bond. The requisite bond shall be a corporate surety bond, payable to the Village. Such bond shall be conditioned to keep and save the Village harmless from any and all damage that

may result to public property of the Village resulting from the construction activities of the contractor, and further to save and keep harmless the Village from damages to persons or property arising from suits or claims resulting from such construction activities of the contractor. The bond shall be in such form as approved by the Village and shall be issued by a company authorized by law to issue such bonds in Illinois, and otherwise with a company approved by the Village. The amount of such bond shall be ten thousand dollars unless specifically otherwise provided for herein: Such bond shall include a provision that it cannot be revoked, modified or non-renewed by the company issuing the bond without at least thirty days prior written notice to the Village.

Section 5: Lawn Maintenance/Landscaping. For the purpose of this Section, the term "lawn maintenance contractor" is hereby defined to mean any person who makes a business of mowing, trimming, raking or fertilizing lawns, or other landscape work, and who employs two or more persons in the business, and shall include a landscape contractor. Any person conducting the business of lawn maintenance shall, upon completion of each job, remove and legally dispose off-site all clippings, trimmings or other yard refuse and materials or shall ensure that the materials are properly bagged, tagged, and placed for collection by the Village's Waste Disposal Contractor or otherwise removed and disposed of in accordance with all applicable Federal, State and local environmental laws, rules and regulations. Such yard refuse shall not be allowed to accumulate on-site or shall it be placed on vacant lots, streets or alleys.

Section 6: Snow Removal. For the purpose of this Section, the term "snow removal contractor" is hereby defined to mean any person who makes a business of plowing, blowing or removing snow or ice from driveways, sidewalks or streets, and who employees two or more persons in the business. No person conducting the business of snow removal shall place snow or ice or cause

the same to be deposited on any street, alley, sidewalk, public way or public grounds un the Village nor on any private property other than the person for whom they are doing the removal.

Section 2: That this Ordinance shall be in full force and effect from and after its passage, approval and publication as required by law. The Village Clerk is hereby ordered to publish this Ordinance in pamphlet form.
